Action plan to achieve target

- Engage sufficient number of soil sample collector as per your districts requirement.
- Collect soil sample in mission mode & Daily review collection work
- Ensure timely arrival of sample in laboratory
- Ensure registration of all farmers of grid with adhar card no.
- After 30 nov. 2016 an advertisement is going to be published from hq to aware farmers about to complain of nondrawal of sample from their Grid.
- A complain redrassal mechanism be set up at district level for complains regarding non drawal of sample.

Action plan to achieve target

- Make two to three team for soil testing in shifts
- two or more team were prepared & provide them hands on training for analysis work.
- From January onward till work of analysis be complete analysis work should be done in more than one shift and with other logistic supports
- Ensure payment of sample collection and analysis work honorarium timely as fund is available and as per GOI norms.
- Ensure backlog payment of 2015-16 for sample collection and analysis work honorarium.

Action plan to achieve target

- Data entry work should be done side by side with sample testing
- Printing of card be made on **minimum 110 GSM** glazing paper of good Quality
- To expedite SHC printing it is advisable to print data black & white on pre printed cards printed in press it will cost lesser and timely printing can be done. On the Back of card some preventive & curative suggestion can be printed to make card more farmers friendly.

Action plan to achieve target

- Distribute SHC regularly in every month in camp mode in presence of public representatives
- At the time of distribution of card how to use card must be thought to farmers.
- SHC distribution should be maintained at block level in register for record purpose.
- Use MSTL Van for analysis specially for micro nutrient testing .
- Lab like arwal , shaikhpura ,lakhisarai can be make enforced with MSTL.
- JD (agron) range make schedule of MSTL Van to go to different lab and also to remote village as if required.
